## Aim

---

A College uniform reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the College community, and assists in developing pride in representing their College. Issues of equality, health and safety, are factors that contribute to the establishment of the uniform.

At Halls Head College we aim to develop a strong sense of belonging and school pride. Our dress requirements help us to:

- Foster and enhance the public image of the school.
- Assist in building school and team spirit.
- Ensure students are safely dressed for specific school activities.
- Enable teachers to quickly identify our own students from others.
- Encourage equity among students.
- Prepare students for work as many work places have dress and safety codes.

## Policy

---

All schools have dress requirements for students which are developed and approved by their School Board. The range of uniform pieces is varied enough for students to individualise their look, cater for the WA climate and accommodate Halls Head College activities.

**Our policy statements:**

- The dress requirement applies at all times when attending school or school excursions.
- Students wearing the uniform outside of the school are expected to behave in a manner that promotes a positive school image.
- All uniform items must be purchased from the College Uniform Shop.
- Students are required to change into their Physical Education (PE) uniform for all PE lessons and change back into their day uniform at the conclusion of the PE lessons.
- Appropriate footwear must be worn by all students.

## Personal Presentation

---

It is important that students take pride in themselves, the school and the community.

- Uniform items are to be neat and clean.
- Uniform items are worn to size and design.
- Undergarments should not be visible.
- Heavy makeup, large dangling/pointed jewellery are not a part of the college uniform.
- We encourage students to be sun smart.

**STAFF** - all college staff share co-responsibility to encourage compliance with the college dress requirements.

Consequences for breaching the College uniform policy or dress standard.

- Students out of uniform who refuse to change or remove items will be asked to discuss the issue with the appropriate Student Services Coordinator.
- Continued breaches of the College dress requirement or uniform policy may result in students being denied the opportunity to participate in College social events and or extra curricular activities.

## Support and Assistance

---

Parents who qualify can apply for the Education Program Allowance which includes \$115 Clothing Allowance. Applications are available during Term 1 of each school year.

Exemptions can be negotiated with the Principal or the Principals' delegate on the following grounds.

- Unavailability of an item from suppliers.
- Matters relating to the students health.
- Matters relating to religious beliefs or cultural background.
- Any other matter which, in the Principal's opinion is sufficient to exempt the student from complying with the requirement.

The College retains sets of clean uniforms, at student services, which can be issued to students and returned at the end of the day.

Where a student cannot comply with the dress requirements, a note of explanation is required from the parent/guardian. A uniform pass is issued from student services for students to show classroom teachers.
