

Dear Parent, Guardians and Carers

We have reached the end of an unprecedented six months of schooling and are close, hopefully, to returning to a more traditional Semester Two for all of our students commencing next Term.

Today, Student Reports have been emailed out to our parents and carers which included a cover letter explaining in detail your child's report and the upcoming Parent/Teacher Interviews scheduled for early Term 3.

#### Parent Meetings outside of Parent Night

Please ensure that meetings are pre-arranged via phone or email.

#### Sign Out Process - Clarification

If students need to sign out at any time and haven't a note or their Flexi pass which is only for designated times, they need to present to Student Services where parents can be phoned for permission. Students will be given a slip and then be sent up to the Front Office with that slip to await collection from their parents or guardians.

#### Entrance to the College

We will have a new intercom system at the front door for entry into our College. This has been initiated as a result of COVID-19 but will have longer term value in terms of ensuring the safety of our students and staff is prioritised.

#### Uniforms

As of next term, our school uniforms will be provided off-site through Hot Klobba (104 Park Road, Mandurah). We look forward to working with Hot Klobba over the next few years and hope that the availability of having a shop frontage which is open 6 days a week will be one of convenience for our College community.

We have navigated the past six months together and once again I thank you for your support. I hope to see as many of you as possible on Parent's Night. Meantime I trust you and your family have a safe and enjoyable holiday and wish you all well.

Warmest Regards

Bronwyn White

Principal
